

Making Russian Meatballs

By: Vlad Zalutsky

The Kitchen where our dish is going to be made

All of the ingredients we will be using

My mom and dad who will be cooking the dish

My mom is preparing the vegetables by dicing them up

My dad is grinding up the meat that will be used for the meatballs

My dad is mixing up all of the ingredients

They're forming the mix into oval shapes

The meatballs are being cooked by frying them in a pan

The finished product!
